553086 WELDING JACKET

Welding jacket for heavy welding with a long lifetime and very high protection against radiant heat and metal splashes. The soft fabric with extremely good welding properties and the ventilation in the back makes the jacket extra comfortable to use when welding. PFAS-free.

Ergonomically shaped and pre-shaped sleeves to avoid creasing from metal splashes. Arm ventilation. Concealed zip and press stud closing. High collar for extra protection and adjustable width. Two loops for communication equipment. Chest pockets with flaps. Side pockets with flaps. Strap for ID-pocket on sleeve. Extended back with reflective stripe and ventilation. Adjustable waist. Inside pocket.

Size: XS-4XL

Quality: 863 - Outback HW - 74% viscose / 15% aramid / 10% polyamide / 1% antistatic, 425 g/m²
885 - Cantex Weld - 50% modacrylic / 36% cotton / 12% polyamide / 2% antistatic, 365 g/m²
