55108667 WELDING BOILERSUIT

Welding boilersuit for heavy welding with a long lifetime and very high protection against radiant heat and metal splashes. The soft fabric with extremely good welding properties and the ventilation in the back makes the boilersuit extra comfortable to use when welding. PFAS-free.

Ergonomically shaped and pre-shaped sleeves to avoid creasing from metal splashes. Concealed 2-way zip and press stud closing. High collar for extra protection and adjustable width. Two loops for communication equipment. Chest pockets with flaps. Strap for ID-pocket on sleeve. Arm ventilation. Side pockets with hidden access. Adjustable elastic waist band. Ventilation and reflective stripe on the back. Hip pockets with flaps. Cargo pocket with flap and mobile phone pocket. Ruler pocket with adjustable opening. Shaped knees with adjustable inside knee pad pockets. Fluorescent fabric on chest, back and around legs. Reinforcement fabric Cantex Weld on leg hem.

Colour: 67 anthracite

Size: XS-4XL

Quality: 863 - Outback HW - 74% viscose / 15% aramid / 10% polyamide / 1% antistatic, 425 g/m²
